Signing up now will ensure you the best selection and earliest date on our planting schedule.

Step one – Call or email us and we'll schedule our tree planting specialists to visit you and your landscape to assess the best tree species for the best site.

Step two – a 50% deposit secures your tree and we will then schedule your planting during the cool days ahead.

Step three – Relax and enjoy our team at work as they expertly plant your new tree. You'll receive a fact sheet on helping your tree to a good healthy start, as well as our one-year guarantee. Your arborist will also explain health care regimens we offer for newly established trees – purchase of these plans will extend our warranty to two years' coverage.

***We'll time the planting of your Eldarica Pine just right so you can enjoy the tree indoors and decorate it for the holidays, and then enjoy it outdoors for years to come. This special selection of trees has been specifically shaped by the growers for that "O Tannenbaum" look and feel.**
